

Who's Who in North Dakota FBLA Collegiate Award

Every FBLA Collegiate chapter should name at least one FBLA Collegiate member to receive the Who's Who award. Every chapter has a winner. State FBLA Collegiate officers are *not* to be local chapter winners. They receive the award automatically. This award should be given to the person most deserving for service to the local ND FBLA Collegiate chapter, not necessarily the president, but the member who is always present, always willing to help, etc.

Chapters may have one or more Who's Who recipient.
