Future Business Leaders of America

Future Business Leaders of America (FBLA) is the largest career student business organization in the world. Each year, FBLA helps over 200,000 members prepare for careers in business. FBLA inspires and prepares students to become community-minded leaders in a global society through relevant career preparation and leadership experiences.

FBLA Goals:

- Develop competent, aggressive business leadership
- Strengthen the confidence of students in themselves and their work
- Create more interest in and understanding of American business enterprise
- Encourage members in the development of individual projects that contribute to the improvement of home, business, and community
- Develop character, prepare for useful citizenship, and foster patriotism
- Encourage and practice efficient money management
- Encourage scholarship and promote school loyalty
- Assist students in the establishment of occupational goals
- Facilitate the transition from school to work

FBLA Creed:

I believe education is the right of every person.

I believe the future depends on mutual understanding and cooperation among business, industry, labor, religious, family, and educational institutions; as well as people around the world. I agree to do my utmost to bring about understanding and cooperation among all of these groups.

I believe every person should prepare for a useful occupation and carry on that occupation in a manner that brings the greatest good to the greatest number.

I believe every person should actively work toward improving social, political, community, and family life.

I believe every person has the right to earn a living at a useful occupation.

I believe every person should take responsibility for carrying out assigned tasks in a manner that brings credit to self, associates, school, and community.

I believe I have the responsibility to work efficiently and to think clearly. I promise to use my abilities to make the world a better place for everyone.

FBLA Pledge:

I solemnly promise to uphold the aims and responsibilities of the Future Business Leaders of America, and as an active member, I shall strive to do my best to develop the qualities necessary in becoming a responsible business leader.

Preface

The 2023-24 edition of the North Dakota FBLA High School Chapter Handbook should replace any versions that were used in past years. This handbook will also be available on the North Dakota FBLA website at www.nd-fbla.org and the North Dakota CTE website at www.cte.nd.gov.

Advisers are reminded that this document contains only North Dakota FBLA High School forms and competitive event regulations and procedures. Chapters should access the FBLA website at www.fbla.org for national information, including national programs and NLC competitive event guidelines.

There have been numerous changes and additions to this edition of the handbook, and we ask that you please contact the state FBLA office if there are errors or omissions. There have been a number of small changes made to many of the competitive event guidelines. Please don't assume that nothing has changed from last year. Only major changes are listed below. Please read through the entire handbook as your chapter prepares for the State Leadership Conference and pay close attention to the checklist of deadline dates that appear in the "Official Information" section.

Changes to this edition:

- New Event – Introduction to Programming (presentation event for grades 9-10)
- New Event – Visual Design
- Name Change – Political Science becomes Public Policy & Advocacy.
- Retired Event – Publication Design.
- Recognition Event Modification – Changes have been made to the Go for North Dakota Gold project.
- Photo ID required when checking in for competitive events.

Reminders:

- Event guidelines were modified 6 years ago at the state and national level to no longer use projectors in the preliminary round of presentation events – competitors will present directly from their laptops/devices. Projectors will only be provided for finals in events with viewing, and it is up to the competitors to decide if they wish to use them.

**Student Youth Organization Activities Policy
for
Secondary Students**

**STATEWIDE CONFERENCES FOR CAREER AND TECHNICAL STUDENT ORGANIZATIONS AND ADVISERS REQUIRING
ABSENCE FROM SCHOOL.**

Up to three days total absence yearly from school may be allowed with no more than two consecutive days absence for any one State Board approved activity. Weekends must be used for travel and/or conference time where a two-consecutive-day activity is scheduled.

All other related student organization group activities will be totally subject to local discretion and approval.

**OUT-OF-STATE CONFERENCES FOR CAREER AND TECHNICAL STUDENT ORGANIZATIONS AND ADVISERS REQUIRING
ABSENCE FROM SCHOOL**

Total local discretion.

STATE AND NATIONAL CAREER AND TECHNICAL STUDENT ORGANIZATION OFFICERS

Secondary administrators should vigorously encourage their students to be candidates for state and national career and technical student organization offices.

Projecting a professional image is vital for business leaders to demonstrate respect for clients, colleagues, and others. This policy is to provide guidance for conference attendees—students, advisers, and guests. Professional business attire is required at all general sessions, competitive events, exhibits, regional meetings, workshops, and other activities unless otherwise indicated in conference materials.

Conference name badges are considered part of the dress code and must be worn at all conference functions. For safety reasons, do not wear conference badges outside of the conference area. The dress code is gender neutral.

- Competitors may be disqualified if they violate competitive event guidelines.
- No animals (except authorized service animals) will be allowed for use in any competitive events.
- Please note that Internet reliability at any conference venue cannot be guaranteed. Always have a backup plan in case Internet connections go down.
- Participants using laptops or other devices that do not have an HDMI port will need to provide their own adapters.

GENERAL COMPETITIVE EVENT GUIDELINES – NORTH DAKOTA FBLA HIGH SCHOOL

The general event guidelines below are applicable to all ND FBLA High School state competitive events. Please review and follow these guidelines when competing at the state level. When competing at the national level, check the national guidelines since they may differ.

All members and advisers are responsible for reading and following competitive event guidelines.

Eligibility

- **Dues:** Competitors must have paid FBLA national and state dues by 11:59 p.m. Eastern Time on February 1 of the current school year.
- **SLC Registration:** Participants must be registered for the SLC and pay the state conference registration fee in order to participate in competitive events.
- **Deadlines:** The chapter adviser must register each state competitor on the official online entry forms by February 5, 2024.
- For number of members who may enter each event, please see the State Leadership Conference competitive event chart found in the Official Information section of this handbook.
- Each competitor can only compete in two individual/team events (but no more than one performance event) and one chapter event.
- Each competitor must compete in all parts of an event for award eligibility.
- A team shall consist of one, two or three members. The exception is Parliamentary Procedure, which must be a team of four or five members.
- All members of a team must consist of individuals from the same chapter.
- If competitors are late for a competitive event, there are no guarantees they will get to compete. Competitive event schedules cannot be changed. PLEASE NOTE that competitive events start before the opening session of SLC.
- Competitors may be disqualified if they violate competitive event guidelines.

Repeat Competitors

Members may compete in an event at SLC and NLC more than once if they have not previously placed in the top ten of that event at NLC. If a member places in the top ten of an event at NLC, they are no longer eligible to compete in that event. This eliminates the exceptions for team events that were previously in place, as this change will now affect all events.

- **Modified Events:** A competitor may compete in the same event when the event is modified, regardless of placement at a NLC. Note, if the only modification is a name change, competitors may not compete in the renamed event if they have previously placed in the top ten at the NLC.
- **Chapter Events:** Competitors may compete in a chapter event as many times as they wish, regardless of placement at a previous NLC (American Enterprise Project, Community Service Project, Local Chapter Annual Business Report, and Partnership with Business Project).

2024 Topic: Ethical Implications of Chatbots in the Business World

Background Info

Artificial intelligence (AI) is seen by many as the next technological advancement meant to revolutionize society, in the same vein as the printing press, the internal combustion engine, or the internet.

While some limited AI tools have been in use for years (e.g., search engines, manufacturing robots, voice recognition software), a far more complex AI technology has recently made enormous strides: deep learning generative AI. These widely available programs most commonly take the form of chatbots, such as ChatGPT, Google Bard, and Bing Chat, or content generators like DALL-E and Midjourney.

Using natural language processing (NLP), chatbots are now capable of understanding complicated requests and responding in an equally sophisticated manner. These systems are simply language models, meaning they are limited to generating text or images in response to user queries and are not capable of independent actions or thoughts. However, even a brief exploration of ChatGPT or DALL-E's capabilities will reveal just how complex and adaptive these systems truly are.

Generative AI is already being leveraged by businesses and organizations to automate tasks, collect information, and improve the customer experience. Chatbots can provide customer support, conduct market research, and even offer real-time translation services. They can also be used to generate more creative content for marketing and product development purposes, such as social media posts, original images and videos, and technical documentation.

However, the increased capabilities of generative AI pose various ethical dilemmas for the organizations who choose to employ them.

For example, chatbots can be used to generate misinformation on an unprecedented scale. They can unintentionally “hallucinate,” or provide nonsensical or incorrect information to their users. Language models can also display certain biases based on their collected knowledge, which can inadvertently marginalize certain groups and suppress certain ideas or beliefs. These risks have increased the need for responsible governance of AI-generated content on the part of businesses.

The increased prevalence of AI systems also poses long-term consequences regarding employment and human redundancy. As generative AI becomes more adept at positions traditionally held by humans, businesses must balance the needs of their human workforce with the potential efficiency of AI-driven labor.

Another issue is that as chatbots assume more complex responsibilities within organizations, businesses must also consider the ethical risks associated with AI systems' interactions with users or customers.

Business Ethics (High School)

Should a chatbot clearly communicate that it is not a human? Should a chatbot behave in a more transactional, mechanical fashion, or can it be programmed to present itself more humanlike? What are the possible ramifications of an AI that is instructed to form an emotional connection with its users?

These are pressing questions that those using AI in the business world must consider.

High School Scenario

Jace is a software manager for Synergy Consulting, a company that specializes in information technology services and consulting. His primary responsibility at the company is integrating new programs and applications into Synergy's processes to increase efficiency company-wide.

Synergy is always looking for new ways to innovate, and recent advances in generative artificial intelligence have motivated them to incorporate this technology into their processes. The company decides to modernize and streamline their customer service operations with an advanced chatbot called ANNETTE (Artificial Neural Network for Telecommunications Engagement). ANNETTE possesses highly sophisticated comprehension and language skills, allowing it to have complex conversations with customers.

Jace is responsible for overseeing ANNETTE's interactions with Synergy's clients and adjusting the chatbot's behavioral procedures accordingly. This includes catching any errant responses, providing any missing data or information when needed, and monitoring and modifying ANNETTE's interpersonal conduct when communicating with customers.

As the chatbot begins its role as a customer service representative, things appear to be going well. In fact, customers have loved their interactions with ANNETTE. In an effort to make ANNETTE as "human" as possible, the chatbot is programmed to make informal conversation, talk in a casual tone of voice, and even display emotions. This programming has allowed ANNETTE and customers to form personal connections, leading to improved customer relations overall at Synergy Consulting.

However, Jace recognizes potential ethical issues with designing a charismatic chatbot. He worries that customers forming a close connection to ANNETTE will lead to a false sense of support and trust. After all, no matter how genuine ANNETTE appears, it cannot feel or demonstrate real emotions and is simply responding to prompts based on collected data. If Synergy's clients become trusting of or vulnerable towards ANNETTE, this could lead to them divulging sensitive personal or professional information and being emotionally manipulated.

Jace raises his concerns to his department manager. He recommends modifying ANNETTE's behavior to be much more impersonal and rigid with customers, so as to decrease the risk of customers being manipulated or deceived. However, Jace's manager doesn't seem to share his concerns. They remind Jace that ANNETTE's personable nature is what makes it such an effective customer service representative and dialing that element back would defeat the purpose of incorporating chatbots into their business processes. Besides, they argue, even human customer service representatives run the risk of developing unhealthy personal connections with customers. Jace's manager urges him to keep

2023–24 Competitive Events Guidelines

Business Ethics (High School)

ANNETTE's engaging personality, and even floats the idea of expanding ANNETTE's responsibilities to other roles and departments.

Next week, Jace is slated to meet with the top executives at Synergy Consulting and provide recommendations for the future of AI use at the company. What should Jace suggest to his company's leadership? Should he recommend reprogramming ANNETTE to be more formal and transactional? Or should he recommend continuing with ANNETTE's design as-is, knowing this may lead to ANNETTE—or other chatbots—receiving an expanded role at the company?

Suggested Questions:

- Should generative AI be used by businesses? When might it be useful in the business world? When may it do more harm than good?
- Should businesses be expected to disclose when customers interact with chatbots as opposed to real humans? What role does **transparency** play in this decision?
- Are chatbots capable of demonstrating **integrity** in their interactions with humans? How does the answer to this question impact companies' use of chatbots in the business world?
- To what extent should businesses be held **accountable** for the actions of artificial intelligence programs they use?
- Is it **fair** to expect businesses to make decisions based solely on the best interests of customers? How should businesses balance the needs of consumers and the company, which may not always align?
- If a business chooses to program chatbots to be more transactional and formal, how might this affect the company's **viability**? What about if a company elects to program its chatbot as charismatic and potentially manipulative?

BUSINESS FINANCIAL PLANNING (North Dakota Event)

Sponsored by the North Dakota Bankers Association

Category: Prejudged Report

Type: Team

Business financial planning is paramount to the success of any business enterprise. This event is designed to recognize FBLA members who possess the knowledge and skills needed to establish and develop a complete financial plan with a bank to operate a business, operate a farm or purchase a vehicle. The plan developed must be economically and financially progressive to show a return to the bank and a profit for the entrepreneur in a realistic time frame. In addition to learning and applying financial business decision-making skills, team participants develop business contacts, written and oral communication skills, and familiarity with North Dakota banking procedures.

OVERVIEW

This event consists of a pre-judged project.

ELIGIBILITY

- For number of members who may enter this event, please see the State Leadership Conference competitive event chart found in the Official Information section of this handbook. Entries may be created by a team of two (2) to three (3) members.
- Participants must be members and on record in the FBLA state office as paying dues by the established state membership deadline.
- Participants may compete in this event again.

PROCEDURES

Report Guidelines

□ Report—General

- Student members, not advisers, must prepare reports.
- Reports must describe activities of the chapter that were conducted between the start of the previous State Leadership Conference and start of the current State Leadership Conference.
- All team members must participate.
- Penalty points will be given if the written project doesn't adhere to the report cover and report contents guidelines.
- A single PDF file of the report must be submitted to the ND FBLA State Office.

□ Report Cover

- Report covers are not counted against the page limit and may contain other information.
- Front cover contains the following information: name of the school, state, name of the event, and year (20xx–xx)

□ Report Contents

- Table of contents with page numbers
- Follow the rating sheet sequence in writing the report. If information is not available for a particular criterion, include a statement to that effect in the report.
- Pages are numbered and must be on 8 1/2" x 11" paper. Each side of the paper providing information is counted as a page. Pages must not be laminated or bound in sheet protectors.
- Reports must not exceed 30 pages (a title page, divider pages, and appendices are optional and must be included in the page count).

Project Guidelines

- Team members should start planning for this event early in the school year and should plan to work on this event during the entire year prior to the State Leadership Conference. This project is a Business Financial Planning case study.
- Team members must contact Dorothy Lick of the North Dakota Bankers Association (see address below) in order to be provided names and addresses of banks that are members of the North Dakota Bankers Association or the American Bankers Association.
- Once provided with the appropriate bank information, team members must write letters of invitation to this bank to make a presentation on credit and lending at an FBLA chapter meeting or business class. Resources and case studies will be provided to the bankers by the North Dakota Bankers Association.
- When this presentation has been completed, the local FBLA chapter will then determine if any group of students are interested in pursuing this actual event. If so, the banker will give the

students the choice of a case study representing a small farm operation, small commercial business, or a car purchase. Each case study will orientate them to the situation they will simulate when they set up an appointment for a loan request with their local banker.

- Team members (two or three) will study and analyze the case study chosen and prepare for an initial visit with the participating bank.
- The initial visit to the bank will allow the team an opportunity to talk to the banker about their business situation and the reason they need financing. The banker will go through the bank's standard practice of requesting a current financial statement, income and expenses projections, etc., and will provide the necessary forms to the FBLA team at that time.
- Upon receiving these forms, the FBLA team will meet and complete the financial information requested by the bank. All pertinent information and figures will be provided through the case study material.
- When the FBLA team has completed the required documents, the team will again contact the bank and set up a second appointment to discuss their completed financial forms.
- The loan documents will be typed up, discussed in detail with the members of the FBLA team, and then signed by all members of the team.
- The FBLA team members will collate and summarize all information, materials, and forms into the approved format:
 - The purpose of the project.
 - A complete chronological sequence of events and time spent at the bank.
 - A summary of the Business Financial Planning process including the original completed financial statement along with all loan related documents/correspondence.
 - A letter from the participating banker regarding this project.
 - Personal comments and feelings of all team members. Team members' comments need to be identified (the name of each individual should appear with their comments).
- For additional information and/or assistance contact:

CHAPTER ACTIVITIES

CHAPTER CHECK-IN

The Chapter Check-In is a way for chapters to report their chapter's news. The Chapter Check-In is easily completed through an online form.

COMPLETING THE CHAPTER CHECK-IN

Several things will happen when you complete the Chapter Check-In:

1. Chapter Check-Ins submitted each month will be collected for inclusion on the ND FBLA website.
2. By completing a Chapter Check-In form, on three separate months, prior to the State Leadership Conference, your chapter will have fulfilled one of the Level I requirements for the "Go for ND Gold" event.
3. The Chapter Check-In is your chapter's way of letting other chapters know what's happening with FBLA at your school.

All you need to do is go to www.nd-fbla.org, and complete the online Chapter Check-In form. The form can also be found at <https://ndfblapbl.wufoo.com/forms/nd-fbla-chapter-checkin/>

You must submit at least one activity but may submit more if you had a busy month. Just remember that forms must be submitted on three separate months, by the deadline, in order to qualify for "Go for North Dakota Gold."

Please complete and submit the Chapter Check-In by the 5th of each month. We look forward to reading all about your local chapters!

CHAPTER OF THE MONTH

The Chapter of the Month program is designed to recognize excellence and active involvement in North Dakota FBLA High School projects and activities. Each month one North Dakota FBLA High School chapter will be recognized as the Chapter of the Month. Selection of Chapter of the Month will be based on activities submitted through the Chapter Check-In program.

RECOGNITION

All chapters who are selected as the Chapter of the Month during the current membership year will receive a certificate noting their achievement and ribbons at the State Leadership Conference.

CORPORATE SPONSORSHIP

The corporate sponsorship program is designed to raise money to help send state competitive event winners to the National Leadership Conference. Next year's conference will be held in Orlando, FL.

Chapters that secure corporate sponsorships can use them as a Level II activity for “Go for North Dakota Gold”.

TIPS FOR RECRUITING CORPORATE SPONSORS

Make a list of potential sponsors. In identifying sponsors, consider businesses that benefit from statewide exposure, such as car dealerships or statewide corporations. Many of your hometown businesses will also support you if asked. Corporate sponsors will receive the following recognition by sponsoring an event at the State Leadership Conference:

- recognition in our State Leadership Conference program
- recognition (via the multimedia screen) at the SLC Awards of Excellence Program
- recognition on the ND FBLA website (www.nd-fbla.org) and social media accounts
- an invitation to attend the SLC Awards of Excellence Program and personally hand out the awards for the event sponsored

When contacting potential corporate sponsors:

- Make an appointment convenient to them.
- Make sure you know everything about the program before you go and talk to potential sponsors. Know the basics of FBLA, such as the mission statement (*printed in your chapter handbook*), so you can inform them of what our organization strives to achieve. Make the business aware of what their money does. The sponsorship pays for a portion of the registration fees of members who qualify to compete at NLC.
- Have a general idea of what you're going to say and how you are going to say it before you contact a potential sponsor.
- If possible, show an example of last year's SLC program with sponsors' names in it. Tell how their name appears on the multimedia screen at the SLC next to the event name. Get the company's business card, so their sponsorship information can be printed in the conference program.
- Dress appropriately.
- Have an introduction that is informative and is ten seconds or less. As an example: “Hi, I'm Robin Walters, the president of the Martian Protection Society, and I'd like to speak to you about the benefits of sending an outstanding high school student into outer space.”
- Tell them what happens at the NLC. Share the excitement of a North Dakota team winning first in the nation in desktop publishing or digital video production. Also tell them about the great experience of participating in NLC.
- Remember to send a written thank you within 48 hours to thank the business for their sponsorship.
- From the moment you enter a business to contact a potential corporate sponsor, make sure you are as professional as you can be. One tip—if you have to wait for someone and you are sitting when they enter, be sure you stand to greet them and shake their hand.

When you get a corporate sponsorship:

- ☐ Complete **all** sections of the form
- ☐ Secure a check for the proper amount made out to North Dakota FBLA
- ☐ Send the information to the state FBLA office (the address is in the chapter handbook)
- ☐ Send a thank you to the sponsor

Events that have been sponsored, and the businesses that sponsored them, will be listed on the website so that we do not get duplicate sponsors for an event. Check the website at www.nd-fbla.org to see which events have been sponsored before talking to a business.

A list of events that are available for sponsorship and a corporate sponsorship proposal can be found on the next three pages.

2023 – 2024 NORTH DAKOTA FBLA HIGH SCHOOL COMPETITIVE EVENTS

(for use with Corporate Sponsorship Program)

The purpose of the Corporate Sponsorship Program is to help send North Dakota FBLA High School and FBLA Middle School members, who qualify for national competition, to the National Leadership Conference. We request a \$200 sponsorship for a business to be the sole sponsor of an individual event. With team or chapter events, in order to be the sole sponsor, the amount could range anywhere from \$200 to \$1,000 (depending on the size of the team). If a business should choose to partially sponsor an event, we would accept sponsors for that event until it is fully sponsored. We would like to suggest that \$100 be the minimum amount for a sponsorship.

Who Are We? – Future Business Leaders of America (FBLA) is a student business organization whose mission is to inspire and prepare students to become community-minded business leaders in a global society through relevant career preparation and leadership experiences.

What Are We Doing? – The North Dakota FBLA State Leadership Conference is a three-day conference bringing together over 1,300 of the brightest and most talented students from across North Dakota. During the conference, participants and advisers will hear dynamic speakers, participate in seminars and hands-on workshops, and compete in our competitive events program, with more than 50 different events ranging from accounting to public speaking and computer applications to website development (see attached list).

State officers work to develop and maintain relationships with local FBLA High School and FBLA Middle School chapters to continually develop leadership skills at various levels. We hope that these relationships will promote active participation in FBLA during their high school years.

State officers develop and train through planning retreats, and meetings throughout the year. Parliamentary procedure, teamwork, networking, and a combination of professional and personal development are the main focuses for FBLA High School state officers. State officers spend time traveling to local chapters to increase communication among chapters and create networking opportunities for students.

When Is The Conference? – The conference is scheduled for March 24-26, 2024, in Bismarck.

What Will Members Get From Their Conference Experience? – The conference begins on Sunday evening with an opening session welcome from an FBLA High School national officer, a keynote speaker, and recognition of chapters and members for their leadership accomplishments during the year.

Monday's events include competitive events, workshops, and campaign speeches for a new state officer team. Throughout the day, conference attendees can compete in their chosen fields/events against students from all over North Dakota with the opportunity to qualify to move on to competition at the National Leadership Conference. In addition, workshops and other leadership activities will be conducted in a variety of business-related topics that will help students to network and to develop their leadership skills.

Tuesday ends the conference with the installation of new state officers for the upcoming year and, finally, the Awards of Excellence Program where student competitors and chapter award winners will be recognized.

Why Are We Doing This? – We are doing this to help students develop leadership skills and to help them plan for their futures. Our members will gain valuable experience and skills that will help them transition from high school to college and then to careers.

Additionally, we have developed the corporate sponsorship program to assist our North Dakota FBLA Middle School and High School members who excelled in competition at the state level to move on to compete at the national level. Your financial assistance will aid our members in competing at the FBLA National Leadership Conference.

How Can You Help? – We are inviting *you* to assist our efforts by sponsoring a competitive event at the State Leadership Conference. The possibilities for sponsorships include the events listed on the attached sheet.

What Are The Benefits to You? – You can help our group of upcoming and developing business professionals by sponsoring one or more competitive events. Sponsorship opportunities exist anywhere from the \$100 to \$1,000 level. For your sponsorship, you receive:

- (1) recognition in our conference program
- (2) recognition (via the multimedia screen) at the Awards of Excellence Program
- (3) recognition on the ND FBLA website (www.nd-fbla.org) and social media
- (4) an invitation to attend the Awards of Excellence Program to personally hand out the awards for the event you've sponsored

This conference is being planned and coordinated by and for high school students. The North Dakota state officer team, their local chapter advisers, and the ND state director, Jessica DeVaal, are ensuring the standards and professionalism of the conference through continual planning and communication.

Thank you for your consideration of our proposal. We are excited and honored to have you join us for this spectacular event being planned for North Dakota FBLA High School and Middle School members.

MEMBER OF THE MONTH

The Member of the Month program is designed to recognize excellence and active involvement by local chapter members in North Dakota FBLA High School. Each month advisers are encouraged to nominate a local chapter member for this recognition via the online nomination form found at www.nd-fbla.org or <https://ndfblapbl.wufoo.com/forms/nd-fbla-monthly-awards/>. Nomination forms will be reviewed by the State Executive Committee, and one North Dakota FBLA High School member from each region will be recognized as the Member of the Month. State officers are not eligible for this recognition.

RECOGNITION

All members who are selected as the Member of the Month during the current membership year will receive a certificate noting their achievement and a ribbon at the State Leadership Conference.

PROFESSIONAL DRESS DAY

Learning to dress in a professional manner is an important element in conveying a professional impression in a business environment, and it is a required element at state FBLA events. Professional Dress Day is designed to give FBLA members an opportunity to wear professional attire and to determine if what they are wearing conveys a professional impression and meets the FBLA Dress Code.

Professional Dress Day is designed to teach members about professional business attire, as defined by the FBLA Dress Code. Chapters whose members wear professional dress to school three separate months prior to the submission deadline can use this activity to qualify for Go for North Dakota Gold (or Silver or Bronze). For this activity, a group photo from each of the three days will be required as documentation.

2024 NORTH DAKOTA STATE LEADERSHIP CONFERENCE

The highlight of the year in North Dakota FBLA High School is the State Leadership Conference, which will be held in Bismarck on March 24 - 26, 2024. This exciting, fun-filled, three-day leadership conference provides students with many opportunities for leadership development and an opportunity to participate in various competitive events. Winning qualifiers in the competitive events are eligible to compete at the National Leadership Conference in Orlando, FL, June 29 - July 2, 2024.

This section of the handbook contains all the information necessary to register students for the State Leadership Conference. Please read this section very carefully. Please notify the state office immediately if you spot a problem or conflict. Others will have the same concern.

ONLINE CONFERENCE REGISTRATION INFORMATION:

The State Leadership Conference registration and competitive event registration will be done online utilizing Blue Panda and the national FBLA membership database. Instructions to complete the online registration process will be sent to advisers, via the ND FBLA listserv, in January.

COMPETITIVE EVENT INFORMATION:

Members are allowed to compete in two (2) individual or team events. An exception will be made for members who are part of the presentation team in chapter events and participation in the following North Dakota only events: Business Financial Planning, FBLA Acalympics, and Project Awareness.

Keep in mind, however, that members are absolutely not allowed to compete in more than one (1) of the following events: Broadcast Journalism, Business Plan, Business Ethics, Computer Game & Simulation Programming, Data Analysis, Digital Video Production, Electronic Career Portfolio, Entrepreneurship, Future Business Leader, Graphic Design, Impromptu Speaking, International Business, Introduction to Business Presentation, Introduction to Programming, Introduction to Public Speaking, Introduction to Social Media Strategy, Job Interview, Marketing, Parliamentary Procedure, Public Service Announcement, Public Speaking, Sales Presentation, Social Media Strategies, Sports and Entertainment Management, Visual Design, and Website Design.

Future Business Leader and **Job Interview** materials are to be uploaded prior to the conference in one PDF file per competitor by the designated date.

Chapter-prejudged reports, **Business Plan**, and **Business Ethics** summary PDFs are to be uploaded by the designated date.

Digital Video Production URL is to be uploaded prior to the conference by the designated date.

Individuals and/or teams are responsible for providing their own equipment for appropriate events at the State Leadership Conference. Note: This was an event modification at the state and national level beginning 6 years ago. Event guidelines have been modified to no longer use projectors in preliminary round of presentation events – competitors will present directly from their laptops/devices. Projectors will only be provided for finals in events with viewing, and it is up to the competitors to decide if they wish to use them. Students will have to do the setup and cannot get help, so you may choose to bring your own projector so that the student(s) is familiar with the equipment.

Participants failing to report on time will be allowed to compete until such time that results are finalized, or the accommodation would impact the fairness and integrity of the event. Participants must adhere to the dress code established by the Board of Directors, or they will receive a point deduction in their competitive events. Participants who do not follow the dress code for general sessions will not be allowed on stage.

Calculators may be used in all objective test events as appropriate. A calculator is included in the online testing platform.

All students participating in online objective testing need to bring their own WiFi-enabled testing device (ex: laptop, tablet) No cell phones will be allowed for testing.

Remember that students entering Introduction to Business Concepts, Introduction to Business Communication, Introduction to Business Procedures, Introduction to Business Presentation, Introduction to FBLA, Introduction to Financial Math, Introduction to Information Technology, Introduction to Marketing Concepts, Introduction to Parliamentary Procedure, Introduction to Programming, Introduction to Public Speaking, and Introduction to Social Media Strategy must be in grades 9-10 only.

The following events are considered to be linked in a series. Once a member has competed at the State Conference in the second, or advanced, event in the series, they may not subsequently compete in the first or introductory event. Event series impacted by this regulation include:

- Accounting I and Accounting II
- Introduction to Financial Math and Business Calculations
- Introduction to Business Communication and Business Communication
- Introduction to Parliamentary Procedure and Parliamentary Procedure
- Introduction to Programming and Computer Game & Simulation Programming
- Introduction to Public Speaking and Public Speaking
- Introduction to Social Media Strategy and Social Media Strategies

SCHOOL-SITE TESTING:

The objective test portion of the Computer Applications, Database Design and Application, Spreadsheet Applications, Word Processing, Business Ethics, Parliamentary Procedure, Entrepreneurship, International Business, Marketing, Sports and Entertainment Management, Future Business Leader, and FBLA Acalympics events will be taken online. Instructions for administering these online tests will be sent to chapters prior to the conference. These tests are to be administered by someone at your school site other than the adviser. The designated school site test administrator will be sent the testing information. Advisers may help with equipment set-up for the skills portion of any tests but may not be present in the testing room; advisers are not to see any of the tests.

Computer Applications production test will be administered in the home school and two hours will be allowed for the production portion. **Database Design & Application, Spreadsheet Applications, and Word Processing** production test will be administered in the home school and one hour will be allowed for the production portion. All tests must be completed in one sitting. For example, a two-hour test cannot be started from 8 to 9 a.m. and then finished from 2 to 3 p.m. The production tests given in the home schools are to be uploaded to the designated place by the specified date. *This procedure is for North Dakota only.*

CAMPAIGN LUNCHEON:

At the campaign luncheon, state officer candidates will give a speech of two minutes stating their platform and qualifications for office. At the end of the campaign luncheon, chapter advisers will pick up voting delegate ribbons and voting delegate cards. The voting delegates will be required to visit each candidate's booth and ask questions of the candidates. (Voting delegates only need to visit the booths of regional vice president candidates from their region.) After visiting the booth and asking questions, the candidates or their campaign manager will stamp the card. Voting delegates will have to turn in a completely stamped card in order to be allowed to vote.

The campaign luncheon is for chapter presidents, state officer candidates, campaign managers, advisers, chapter voting delegates, and up to two future or potential state officer candidates. Chaperones and guests may attend the luncheon for \$20 per person. Advisers should complete the online Campaign Luncheon Reservation Form by the designated date to ensure an accurate lunch count.

STATE OFFICER CANDIDATES:

Your chapter may have **two** state officer candidates. However, you may have any number of students apply for the state parliamentarian position. Any student wishing to be considered for state parliamentarian must have at least one year remaining in high school, complete an application, and take the Introduction to Parliamentary Procedure written test. The chapter does not have to enter a Parliamentary Procedure team.

The student scoring the highest, who has completed an application form, and who has gone through the interview process will be appointed as state parliamentarian. All necessary information and forms needed to apply can be found in the State Officer Candidate Guide, which is part of this publication.

NATIONAL OFFICER CANDIDATES:

Only elected and/or appointed current or past state officers are eligible to run for national office from North Dakota FBLA. State officer candidates should check the appropriate box on the North Dakota FBLA High School State Officer application form to indicate their interest in running for a national office should they be elected to a state office.

The elected state president will receive first priority in running for a national office. Should the elected state president choose not to run for a national office, then the other elected and/or appointed current or past state officers who signified interest on their application will be interviewed by the State Executive Board (which consists of the State Chair, State Advisers, and State President) or the State Chair to determine the national officer candidate from North Dakota.

Guidelines and forms can be found in the State and National Officer Candidate Guides, which are part of this publication.

PROCEDURAL GUIDELINES FOR ADVISERS IN ADMINISTRATING CONDUCT OF FBLA MEMBERS ATTENDING STATE LEADERSHIP CONFERENCES

The conduct of students attending FBLA state leadership conferences or workshops is primarily the responsibility of the **local** chapter adviser and the **local** school. Local chapters should bring sufficient chaperones. **It is suggested that one chaperone supervise no more than ten students.** Each adviser/chaperone should set up specific procedures and regulations for their own chapter members to follow so that members' whereabouts are always known.

It is suggested that each chapter arrange to hold meetings or caucuses at various times to decide what candidates they are going to vote for or where they are going to eat breakfast, lunch, etc. This will also give you an opportunity to physically see each student.

It is **required** that local chapter advisers **physically** check on **each** student before retiring. This is the only way to be certain of the physical condition of each student. Don't just phone the room and have one student tell you all students registered for this room are in the room and are in good condition. Students may possibly be under the influence of alcohol or drugs or have left the motel or are in some other person's room.

The official Code of Conduct form must be signed by each member and their parent/guardian in order to attend the state conference, even if the member is 18 years old. **One signed copy must be uploaded with conference registration,** and the adviser should also keep a copy.

Students must adhere to the North Dakota Dress Code.

It is required that each member and their parent/guardian sign and return to the local chapter adviser a consent, medical release form. This must be done before any student is registered for the conference. This includes students attending from the city where the conference is held. **Do not send the medical form to the state office** but bring it with you to the conference.

North Dakota FBLA Awards Program

Mission Statement

The mission of the National Awards Program and the North Dakota Awards Program is to prepare students for successful careers in business through support for curriculum development and innovative assessment tools. To help meet that charge, this competitive events series has been developed for use in assessing students in the various knowledge, skills, and abilities that make up today's business education curriculum.

Program Design and Purposes

The competitive events series exemplifies the range of activities and focus of FBLA, Inc. These events are based on projects developed from the goals of FBLA and the curricula of business education programs.

FBLA is committed to facilitating the transition of its members from their educational development into their career path. The competitive events program plays a central role in delivering on this commitment. The program allows members to demonstrate and validate their mastery of essential business concepts, skills, and knowledge. In addition, members participating in this program will:

- demonstrate their career competencies, business knowledge, and job-related skills;
- expand their leadership skills;
- demonstrate their competitive spirit; and
- receive recognition for their achievements.

The FBLA competitive events program is designed to correlate with nationally recognized business curriculum standards. For instance, members participating in competitive events demonstrate their mastery of the Foundation Skills and Competencies outlined by the SCANS Workplace Skills Standards. These include Foundation Skills of basic skills, thinking skills, and personal qualities. They also include the competencies of resources, interpersonal skills, information skills, systems skills, and technology utilization skills.

Finally, the FBLA competitive events have been fully correlated against the Business Education Curriculum Standards published by the National Business Education Association.

General Information

North Dakota FBLA High School events are divided into three categories: individual, team, and chapter events.

- A member may participate in one chapter event presentation.
- A member may compete in one or two events, which can be either team or individual.
- A member may enter only one individual/team performance event. This includes the following events: Broadcast Journalism, Business Plan, Business Ethics, Computer Game & Simulation Programming, Data Analysis, Digital Video Production, Electronic Career Portfolio, Entrepreneurship, Future Business Leader, Graphic Design, Impromptu Speaking, International Business, Introduction to Business Presentation, Introduction to Programming, Introduction to Public Speaking, Introduction to Social Media Strategy, Job Interview, Marketing, Parliamentary Procedure, Public Service Announcement, Public Speaking, Sales Presentation, Social Media Strategies, Sports and Entertainment Management, Visual Design, and Website Design.

- A member taking the Introduction to Parliamentary Procedure test only for consideration as state parliamentarian is not classified as an official participant entering an event and may compete in other events.

Several points deserve specific mention when preparing for event participation.

- Many textbook sources are utilized in the preparation of test questions for the various competitive events. Participants are urged to prepare by reviewing as many texts as possible. Terminology may vary from one publisher to another, and test questions may be from several sources.
- Reference manuals, textbooks, and other source materials, except for those listed in the guidelines, may not be taken into events.
- **Participants must adhere to the dress code established by the Board of Directors, or they will be penalized in their events and will not be allowed on stage.**

Event guidelines refer to postmark or online upload dates. This is the official date stamp placed by the online form or the U.S. Post Office and not a postage meter date.

Members whose dues are not postmarked to the FBLA national office by the designated deadline are not eligible to participate in state competitive events. Membership in FBLA is unified on local, state, and national levels and is not available separately.

ND FBLA Code of Conduct

FBLA members have an excellent reputation. Your conduct at every FBLA function should make a positive contribution to extending that reputation. Listed here are rules of conduct for the FBLA Leadership Conferences. All delegates will be expected to:

1. Behave in a courteous and respectful manner, refraining from language and actions that might bring discredit upon themselves, their school, other delegates, advisers, or upon FBLA.
2. Obey all local, state, and federal laws.
3. Avoid conduct not conducive to an educational conference. Such conduct includes but is not limited to, actions disrupting the businesslike atmosphere, association with non-conference individuals, or activities that endanger self or others (running in the General Sessions, standing on chairs, using laser points during workshops, bodysurfing at dances, etc.)
4. Keep their advisers informed of their activities and whereabouts **at all times**. Accidents, injuries, and illnesses must be reported to the local or state advisers immediately.
5. Observe the curfews as listed in the conference program. Local and state advisers as well as security personnel will enforce curfews. Curfew is defined as being in your own assigned room by the designated hour.
6. Avoid alcoholic beverages and controlled or illegal substances of any form. These items must not be used or possessed at any time, or under any circumstances. Use or possession of such substances may subject the delegate to criminal prosecution.
7. Act as guests of the hotel and conference center. Delegates must obey the rules of these facilities. The facilities have the right to ask a delegate or delegates to leave. **Do not throw anything** out of windows or over balconies. Do not run down hallways. Noise should be kept at a reasonable volume, especially in the hotels. Remember there are other guests in the hotels who have rights as well. Trash (this includes pizza boxes, bottles, cans, etc.) must be placed in the proper receptacles and not left on guest room or meeting room floors. Individuals or chapters responsible for damages to any property or furnishings will be responsible for its repair or replacement.

Local advisers are responsible for the supervision of delegate conduct.

Disregarding or Violating the Code of Conduct

Delegates who disregard or violate this code will be subject to disciplinary action, including, but not limited to, forfeiture of privileges to attend further events, confinement to your hotel room, dismissal from the conference, and being sent home at your own expense. Parents and/or guardians will be notified, and ND FBLA reserves the right to notify law enforcement.

I agree to abide by the Code of Conduct and the Dress Code.

ND FBLA Dress Code

Projecting a professional image is vital for business leaders to demonstrate respect for clients, colleagues, and others. This policy is to provide guidance for conference attendees – students, advisers, and guests. Professional business attire is required at all general sessions, competitive events, exhibits, regional meetings, workshops, and other activities unless otherwise indicated in conference materials.

Conference name badges are considered part of the dress code and must be worn at all conference functions. For safety reasons, do not wear conference badges outside of the conference area. The dress code is gender neutral.

Business Professional attire acceptable for official ND FBLA activities includes:

**ND STATE OFFICER
CANDIDATE
GUIDE**

Dear Prospective High School State Officer Candidate:

Congratulations! You have taken the first step toward running for a state office.

This guide provides you with essential information and steps that you need to know to become a state officer. The experience can be challenging and exciting, but it will not be easy. To put you in the arena with other state officer candidates, you will need determination, commitment, preparation, and effort.

Once in that arena, the next challenge is to get elected. You will have to persuade the voting delegates at the State Leadership Conference (SLC) that you are the one for the job!

Preparing, campaigning, and speaking—all come together to form a learning experience you will use for the rest of your life. The experience itself is invaluable, even if you are not elected. Every candidate is a winner!

You cannot become a state officer candidate alone. You need the support and encouragement of many people.

- Your parents and school administrator need to be informed and support your effort. They also need to approve and sign your application form.
- Your local adviser will need to approve and sign your application for state office and serve as your coach and guide through the entire process. Your adviser is also the link to the FBLA state director.
- Your chapter officers and members need to support your candidacy and rally behind your campaign.

Please read this guide carefully to make sure you meet the qualifications and adhere to the deadlines.

By the way . . . it is fun! Good luck!

Jessica DeVaal
North Dakota FBLA State Chair

COMMENTS FROM FORMER STATE OFFICERS

"We are just ordinary members who have the determination and desire to strive for the best we can be. You should never feel that you have to be extra-special to fill the shoes of a state officer; you just must be willing to put much effort and enthusiasm into the job."

"I never really thought becoming a state officer could be a reality for me. It was hard for me to put myself in that role because I would go to our State Leadership Conference and see people standing on the stage, and I was in awe! I didn't think it could happen! But I asked them what was involved, and that's what really got me going. I thought, 'Yes, I think I can do that!'"

Initially, the idea of being a state officer intimidated me, and I didn't always see myself as a leader. But once I was in the role, the experience of being a state officer provided me the opportunity to develop and better understand my leadership abilities, to collaborate with a driven team of other students, and to help grow ND FBLA for the next group of members. It's an opportunity I'll always be thankful for!

"We have the determination and drive to reach out and really try for what we think is the highest point. I think that's also what makes a chapter successful—those who are willing to go out and work for it and make it a success. We're not that much different from other members."

"Becoming a state officer was a way of developing professionalism in myself and incorporating all that I had learned, both in the classroom and in membership in FBLA."

"Without FBLA I would not have been able to experience so many wonderful and unforgettable events. I know that as I become a leader in society, I'll always remember what FBLA has done to prepare me. I just wish that every high school student could experience all the great things that I have."

"Though I didn't up in a business career, I owe a deal of my organizational capacity and social dexterity to my time in FBLA. The ideas you explore (professional interactions, time management, financial finesse, and ethics, among other skills) will give you a winning hand in modern life. All you need to bring is an entrepreneurial spirit, and the social circle that fosters that spirit is what you will find in FBLA. It is my hope that you will find the things that I did in FBLA: the responsibilities of a true leader, and the friends to help you navigate them."

THE DECISION TO RUN FOR STATE OFFICE

FBLA chapters are urged to recruit applicants for state office. Applicants should be selected from among the leaders in the local FBLA High School chapter. Chapters may have two candidates for state office, and they may have one or more applicants for state parliamentarian.

Service as an FBLA High School state officer is one of the ultimate achievements a member can attain. The planning, organization, and execution of a state officer campaign is a valuable leadership experience. The decision to run for office should be taken very seriously.

This guide provides information about state officer candidate eligibility, campaign procedures and rules, and an overview of the expectations, responsibilities, and activities of state officers. Carefully review this **entire** document before finalizing your decision to run for office to ensure that all eligibility requirements have been met and that the commitments required of state officers can be met.

Before the campaign begins, it is critical for the potential candidate to take an honest personal inventory and thoroughly evaluate whether have the time, resources, support, capabilities, attitude, and commitment to prepare an effective campaign and serve as a state officer.

Before you begin to fill out the state officer application, the following should be carefully reviewed and considered:

- Review the entire guide to become thoroughly familiar with state officer responsibilities and election requirements.
- FBLA High School members elected to state office for one Career and Technical Student Organization (DECA, FFA, FCCLA, HOSA, SkillsUSA, or TSA) may not serve in the capacity of a state officer for North Dakota FBLA. In other words, if you are elected to state office in FBLA, you may not hold state office in another Career and Technical Student Organization during the same year.

STATE OFFICER ADVISER RESPONSIBILITIES

2. The adviser shall oversee the duties of their state officer and shall keep in contact with the state director on matters concerning the state chapter.

GENERAL ADVISER OVERVIEW

"Mentor" is defined as a trusted counselor or guide, a tutor or coach. This definition aptly describes the role of a state officer's local chapter adviser. From the moment a student considers running until their term of office ends, the adviser is a key figure.

The adviser counsels the student on the qualifications and duties of a state officer and helps with the decision to run. The adviser guides the student on the campaign process and serves as tutor and coach during the officer's term of office.

It is sometimes difficult for an adviser to play the dual role of adviser and teacher. The relationship between adviser and officer is critical to the success of the term of office. The officer must realize that the local adviser's signature on the application shows their support to the officer and organization.

The adviser and officer need to work together closely on the workshops for the Fall Leadership Conference and/or State Leadership Conference. Timelines will be set at State Officer Training and the adviser needs to guide the student through this assignment. The adviser should review workshop content and materials, and make sure that the officer practices the workshop prior to presenting the workshop. Any changes and/or suggestions made at rehearsals need to be followed up by the adviser.

The local adviser should work closely with the state director to keep him/her informed of the officer's progress with projects and any challenges that may arise.

The local adviser should proofread all correspondence before mailing as well as sign their name. The officer should write correspondence and articles and present them to the adviser for suggestions and any necessary changes.

Accept responsibility for assisting officers. Secure the endorsement and support of parents, school officials, and employers, if applicable.

STATE OFFICER TRAINING

The date and site for the 2024 State Officer Training is set for June 10-13, 2024, in Bismarck. While at training, all lodging and meal costs for the students will be covered by North Dakota FBLA.

Training will take place over four days between the end of the school year and the start of the National Leadership Conference. Among the many tasks and activities to be completed during officer training, the most important will be to develop a program of work to guide the team throughout the year. Time will also be spent on the development of the Fall and State Leadership Conferences.

FINANCIAL NOTES

Funds are available to cover lodging for each state officer to attend all trainings. Most food expenses will also be paid by ND FBLA, but there may be instances at conferences when the officer and adviser are expected to pay for food depending on time and situation. Travel to and from conferences is the chapter's responsibility unless they are required to arrive ahead of the chapter. Adviser expenses should be entered into BRP for CTE travel reimbursement for CTE-approved Business Education programs.

Name badges will be provided for newly elected officers. Replacement badges will be at the expense of the state officer.

Hotel rooms will be provided at the Fall and State Leadership Conferences (officer team will room together).

Each officer will be provided with an officer uniform (business suit) that must be worn at all official FBLA functions.

Each officer will be provided with an FBLA polo shirt that must be worn when traveling for FBLA and at "casual" FBLA conference functions.

Officers and/or their chapters will need to pay for the following:

- Dress shoes to be worn with their officer uniform
- Khaki pants and appropriate shoes to be worn with their FBLA polo shirt
- National Fall Leadership Conference and/or National Leadership Conference expenses

ELECTION PROCEDURES FOR PRESIDENT, REGIONAL VICE PRESIDENT, SECRETARY, TREASURER, HISTORIAN, AND SOCIAL MEDIA COORDINATOR

1. All candidates except parliamentarian will submit a draft of their campaign speech to the ND FBLA state director two weeks before the State Leadership Conference.
2. All candidates must attend a candidate interview prior to the State Leadership Conference.
3. Examples of all campaign materials must be approved at the above-mentioned interview. At that time candidates will be apprised of campaign rules and procedures and be allowed to ask appropriate questions.
4. There is a spending limit of \$300 per candidate. All candidates, except parliamentarian, will submit a copy of their financial disclosure statement at conference headquarters by 8:30 am on the Monday of the State Leadership Conference.
5. Candidates may use posters, brochures, candy, or other means to advertise their candidacy. Following the nomination of the candidates, the campaign materials may be posted only in designated areas. Any food must be commercially packaged and sample size. Due to venue guidelines, no beverages (including bottled water) may be distributed at the booth. Venue guidelines also state that gum and stickers may not be distributed. Campaign materials must meet the guidelines of the venue.
6. It is suggested that each candidate bring approximately 150 printed items to be given away at campaign booths. However, candidates may want to have a larger quantity of candy to be given away.
7. Any give-aways must be something that can be given to anyone who visits the campaign booth. Specific items may be given just to voting delegates, but it must be something that each voting delegate would receive. Raffle/drawing items or giveaways that would go to just one person are not allowed.
8. At the statewide candidates' nomination session, the candidate will give a speech of two minutes stating their platform and qualifications for office. There will be no speeches given by campaign managers. No skits, music, dances, props, etc. will be allowed as part of the two-minute speech.
9. At the end of the statewide candidates' nomination session, chapter advisers will pick up voting delegate ribbons and voting delegate cards. The voting delegates will be required to visit each candidates' booth and ask questions of the candidates. (Voting delegates only need to visit the booths of regional vice president candidates from their region.) After visiting the booth and asking questions, the candidates or their campaign manager will stamp the card. Voting delegates will have to turn in a completely stamped card in order to be allowed to vote.
10. Each candidate will be provided a campaign booth (size 10' x 10' with a 8' x 30" table and 2 chairs). Candidates and only two helpers will be allowed to set up campaign booths ½ hour prior to the start of campaigning. Helpers must be chapter members, not advisers. Due to venue guidelines, signs can't be pinned to the curtains of your booth – if you plan to hang a sign, please have grommets or holes that can be used to hang the sign. Shower hooks work great to hang things from the pipes.
11. **Campaigning is restricted to the designated area and designated time. No campaigning in hotels where chapters may be staying.**
12. Candidates or the campaign manager will be required to stamp the card of voting delegates after they have had the opportunity to ask questions of the candidates. **Voting delegates will not be**

allowed to vote if they have not had their card stamped by all candidates, so it is important that this task be completed.

13. Business attire is required in campaign booths. No costumes or clothing items, such as t-shirts, with campaign slogans will be allowed.
14. No equipment requiring electricity may be used at a campaign booth or as part of the campaign since we cannot guarantee that each candidate will have access to an electrical outlet.
15. No campaign materials are to be in the halls, on doors, or other public areas of the conference facility. No handouts or favors at the general sessions. Materials can only be given out at campaign booths.
16. No campaigning may be done using the hotel's phone system or via social networking.
17. If an office is not filled at the SLC, applications will be accepted from qualified applicants following the SLC and the vacancy will be filled by appointment.
18. The election of officers will be by electronic ranked ballot of voting delegates. Each chapter is entitled to send 2 to 4 voting delegates to the State Leadership Conference according to the number of active members (under 50 members—two voting delegates; 50-100 members—three voting delegates; over 100 members—four voting delegates). These delegates will vote on the candidates following instructions from the members of their chapter in attendance.
19. State officer candidates may run for a national FBLA office at the same time as running for a state office.

CAMPAIGN TIPS

One of the highlights of FBLA conferences is the election of officers. In order to determine the best candidate for each office, information must be gathered on all candidates. Campaigning is a series of organized, planned actions necessary for electing a candidate. It is an efficient way to provide information on the qualifications and characteristics of a candidate.

It is not too early to start planning! Organization is of great importance if accurate and efficient information outlining the positive characteristics and goals of a candidate is to be available. Scheduling of specific tasks that need to be done is a good idea so that the ideas and plans will be accomplished in a neat and thorough manner. By having a set schedule and sticking to it, all campaign materials will be finished before the date of campaigning, and there won't be a mad rush at the last minute.

Some campaigning suggestions include:

1. Have a theme that will be easy to build different, attractive ideas upon and which will have a positive, memorable effect on the delegates.
2. Integrate the campaign theme throughout the campaign speech.
3. Be sure **not** to include equipment requiring electricity.
4. Develop some way to state the candidate's qualities, ideas, and goals, such as a fact sheet or brochure.
5. Have giveaways (candy, pens, etc.). **Any food items must be commercially prepared and wrapped. Due to venue guidelines, giveaways cannot be gum or stickers.** Any giveaways must be something that can be given to anyone who visits the campaign booth. Specific items may be given just to voting delegates, but it must be something that each voting delegate would receive. Raffle items or giveaways that would go to just one or two persons are not allowed.
6. There is a spending limit of \$300 per candidate.
7. It is suggested that each candidate bring approximately 150 printed items to be given away at campaign booths. However, candidates may want to have a larger quantity of candy to be given away.
8. Make posters or other means of catching attention.
9. Have the candidate visible and prepared to talk to people and answer questions.
10. Develop a campaign budget and stick to it.
11. Practice your campaign speech in front of others and have them ask practice questions to help you prepare for the "real thing."

Candidates and/or their chapter are responsible for cleaning up campaign materials.

Join the North Dakota FBLA Travel Group and attend the FBLA National Leadership Conference in Orlando, FL, and participate in other fun-filled activities of the area on June 27 – July 3, 2024. (Official NLC dates are June 29-July 2)

Travel World of Crosby has been designated as the exclusive North Dakota FBLA travel agency. You cannot participate in the North Dakota FBLA room block or participate in activities and services provided in the travel package unless **Travel World of Crosby** makes your airline reservations. By using **Travel World of Crosby** to book your plane reservation, you will receive the lowest airfare available. Family members and friends are invited to become part of this group. Reservations, all monies to be paid, and questions about the travel package should be directed to **Travel World of Crosby**. Phone toll-free at 1-800-965-6232 or e-mail at travel@travelworldofcrosby.com.

Travel World of Crosby will coordinate for the North Dakota FBLA state office all travel arrangements and assist with the assembling of a winning North Dakota FBLA competitive events team. **Travel World of Crosby** will assist you in finding roommates with other North Dakota FBLA members attending to cut expenses and get the lowest room rates. Room rates, registration fees, ground transportation, and other activity fees have not yet been determined, so it is very important to watch for announcements and up-to-date information from **Travel World of Crosby**, the North Dakota FBLA state office, and the National FBLA. Contact the national FBLA office at 800-325-2946 and/or go to the national FBLA Website: <http://www.fbla.org>.

Every FBLA member must have an adult chaperone from their local chapter in order to participate in the travel group. This could be your local FBLA chapter adviser, school official, parent, or another responsible adult. ND FBLA recommends no more than 1 adult to 10 students. The National FBLA Chaperone policy will be checked with NLC registration and can be found at <https://www.fbla.org/chaperone-policy/>. If taking a group of middle and high school students, National FBLA defers to the lower ratio. Liability release forms and parental permission forms will be required for all members attending.

If a local chapter adviser is unable to attend NLC and chaperone the members from their chapter, ND FBLA's policy is that another adult (someone from the school or a parent) from the community accompany the members attending. If for some reason this is impossible, then you must contact Jessica DeVaal at the ND FBLA state office, and she will initiate a search for another adviser who might be able to chaperone your student(s). **PLEASE DO NOT** contact another adviser yourself. If there is an adviser you want to be contacted on your behalf, that will be taken into consideration. Once we find another adviser to chaperone, please be aware that this is a lot of extra work and responsibility for the adviser, so we require that the chapter compensate that adviser \$200 per student. Travel World will add this \$200 fee to your final travel bill as arrangements are completed.

The only role the North Dakota FBLA state office will assume is to confirm your participation in competitive events at the NLC. **Neither the state office nor Travel World of Crosby will register you for the conference.**

Conference information will be available at www.fbla.org starting in approximately April. The conference page will contain up-to-date conference information, a schedule of activities, registration forms, etc. *It is very important that all participants register for the NLC by the designated deadline, or you cannot vote!* The 2024 NLC conference registration fee has not been determined, but the

early bird registration fee was \$195 in 2023. **Travel package costs determined by Travel World of Crosby do not include the FBLA conference registration fee.**

Travel World of Crosby will arrange air transportation. They will also arrange for ground transportation and arrange other fun-filled activities to nearby attractions. Contact **Travel World of Crosby** if you have suggestions to nearby attractions in Orlando. Ground transportation will be provided to/from the airport/hotel as well as check-in/check-out of the hotel. All travel group participants will participate in tours and activities in the Orlando area.

The National FBLA Dress Code is enforced for all attending the NLC. Advisers, members, and guests attending general sessions, competitive events, regional meetings, workshops, and other activities, unless otherwise stated in the conference program, must conform to the National FBLA Dress Code. Conference name tags are part of the dress code and must be worn at all times.

More details will be available at the North Dakota SLC. Be sure to visit with representatives from **Travel World of Crosby** at their booth at the FBLA State Leadership Conference. FREQUENTLY ASKED QUESTIONS FOR TRAVEL WORLD OF CROSBY

Flights

- What if I need a flight option other than the round trip option offered by Travel World (i.e. one-way, attendee starting in a different departure city, etc.)?
 - If your attendee needs a flight option aside from the round trip option through Travel World, we can remove the flight from your travel package, and you will be responsible for booking the flight on your own. To best serve the group, Travel World will not make separate flight arrangements including, but not limited to: a one-way ticket, leaving from a different departure city (i.e. meeting in Minneapolis), etc.
- What if my attendee needs a flight change after the final payment deadline?
 - Flights are booked immediately following the final payment deadline. Should a change arise after this deadline, there will be a change fee in addition to any additional costs of the current price of flights. Travel World books contracts with airlines months in advance of the conference to guarantee the best group pricing. Changes to tickets including times, locations, etc. may result in additional costs from the airline, which will be the responsibility of the attendee/chapter to cover.
 - No changes may be made to flights after the specified TBD deadline
- When will we receive our flight information?
 - After the final payment deadline, we will begin booking flights
- Do I get to choose which airport we depart from?
 - Travel World has contracts with airlines months in advance of the conference to guarantee the best pricing. We contract a certain number of seats at major ND airports based on many criteria including past year's data on chapters out of certain regions, attendance estimates from the state FBLA office and how many seats the airline allows us to secure. We do our absolute best to assign chapters to the airport closest to their chapter but in the event not enough seats remain at that airport, chapters may be assigned to an airport further from their school. We will book flights based on the order we receive your final payment so if your chapter's payment is received later in the line and all of the seats from that airport are taken, your chapter will be assigned at the next closest airport we have available seats.
- Will my chapter get to travel together?
 - Referencing the previous answer, Travel World will do our absolute best to keep chapters together. We will book flights based on the order we receive your final payment so if your payment. We will not separate a chapter with only 1 chaperone. In the unlikely event we do have to separate chapters, we will reach out with options. Again, this is extremely unlikely but possible.

Cancellation

- What is the last day to cancel my travel package?
 - The last day to cancel is the final payment deadline. Cancellations after the final payment deadline are responsible for full travel package payment
 - Note: If you cancel after the cancellation deadline and have an attendee sharing a room with another chapter, you will be responsible for the portion of your attendee's room share.

Payment

- Are the payment deadlines postmarked by or received by?
 - The payments (deposit and final) should be **received** no later than the final payment deadline. We will begin booking activities and flights immediately after the final payment deadline and have to pay vendors so it is essential we receive on time payments.
- Can I pay with a credit card?
 - Yes, credit card payments will incur an additional 3% processing fee (*fee subject to increase based on the processing fee by our payment processor at the time of payment)
- Can I send individual checks from students?
 - It is recommended that the school send one check for the chapter. Should you absolutely need to send separate checks, we highly recommend getting tracking on the package. We have seen several times where a package of checks doesn't make it to us and it was individual checks from students resulting in the advisor having to have each parent void and rewrite a check, also resulting in delay of payment to Travel World.

Travel Package

- Can I purchase portions of the travel package?
 - The travel package is all-inclusive. We cannot break down the package into individual items.

ND FBLA Code of Conduct

FBLA members have an excellent reputation. Your conduct at every FBLA function should make a positive contribution to extending that reputation. Listed here are rules of conduct for the FBLA Leadership Conferences. All delegates will be expected to:

1. Behave in a courteous and respectful manner, refraining from language and actions that might bring discredit upon themselves, their school, other delegates, advisers, or upon FBLA.
2. Obey all local, state, and federal laws.
3. Avoid conduct not conducive to an educational conference. Such conduct includes, but is not limited to, actions disrupting the businesslike atmosphere, association with non-conference individuals, or activities that endanger self or others (running in the General Sessions, standing on chairs, using laser points during workshops, bodysurfing at dances, etc.)
4. Keep their advisers informed of their activities and whereabouts **at all times**. Accidents, injuries, and illnesses must be reported to the local or state advisers immediately.
5. Observe the curfews as listed in the conference program. Local and state advisers as well as security personnel will enforce curfews. Curfew is defined as being in your own assigned room by the designated hour.
6. Avoid alcoholic beverages and controlled or illegal substances of any form. These items must not be used or possessed at any time, or under any circumstances. Use or possession of such substances may subject the delegate to criminal prosecution.
7. Act as guests of the hotel and conference center. Delegates must obey the rules of these facilities. The facilities have the right to ask a delegate or delegates to leave. **Do not throw anything** out of windows or over balconies. Do not run down hallways. Noise should be kept at a reasonable volume, especially in the hotels. Remember there are other guests in the hotels who have rights as well. Trash (this includes pizza boxes, bottles, cans, etc.) must be placed in the proper receptacles and not left on guest room or meeting room floors. Individuals or chapters responsible for damages to any property or furnishings will be responsible for its repair or replacement.

Local advisers are responsible for the supervision of delegate conduct.

Disregarding or Violating the Code of Conduct

Delegates who disregard or violate this code will be subject to disciplinary action, including, but not limited to, forfeiture of privileges to attend further events, confinement to your hotel room, dismissal from the conference, and being sent home at your own expense. Parents and/or guardians will be notified and ND FBLA reserves the right to notify law enforcement.

I agree to abide by the Code of Conduct and the Dress Code.

ND FBLA Dress Code

Projecting a professional image is vital for business leaders to demonstrate respect for clients, colleagues, and others. This policy is to provide guidance for conference attendees – students, advisers, and guests. Professional business attire is required at all general sessions, competitive events, exhibits, regional meetings, workshops, and other activities unless otherwise indicated in conference materials.

Conference name badges are considered part of the dress code and must be worn at all conference functions. For safety reasons, do not wear conference badges outside of the conference area. The dress code is gender neutral.

Business Professional attire acceptable for official ND FBLA activities includes:

ACCEPTABLE

Business suit:

- Suit pants and jacket • Blouse (or) collared dress shirt
- Neckwear such as tie or scarf • Dress shoes (or) dress boots

No dress code can cover all contingencies, so FBLA members must use a certain amount of judgment in their choice of clothing to wear. Members who experience uncertainty about unacceptable attire should ask their local adviser, state leader, or conference staff.

FBLA recognizes that exceptions may need to be made and will work with advisers on a case-by-case basis to accommodate requests. Advisers should indicate the need for exceptions on the special accommodation portion of the registration form. Requests made after registration closes must be made in writing.
