Recruitment

It is that time of year to recruit new members for your chapters. Our members are the lifeline of North Dakota FBLA Collegiate, and it is vital that we recruit new members as our members graduate and move on to being business leaders. Here are a few ways to recruit new members:

- Host an informational meeting
- Have a booth at the club fair at your college/university
- Make sure you are on the list of clubs at your college/university
- Have members talk about their experiences in FBLA Collegiate
- Development in leadership and business skills/practices
- And much more...

We will also continue our Recruitment Grant for this year. More information will be sent out to advisers.
