

PROUD NATIONAL TEAM

The Alzheimer's Association® National Teams program is powered by the collective leadership of companies and organizations committed to the fight against Alzheimer's. By uniting around the Alzheimer's Association's mission through participation in at least one of our national fundraising events — Do What You Love to End ALZ™, Walk to End Alzheimer's® and Ride to End ALZ® — National Teams move us closer to our vision of a world without Alzheimer's and all other dementia.

Alzheimer's isn't stopping — and neither are we. We hope you will participate in our National Team to make an impact in your community where you live and work.

The end of Alzheimer's starts with **Future Business Leaders of America.**

which makes it easy to make a difference. It's simple, flexible and starts with you — doing something you love and turning it into a fundraiser to end Alzheimer's and all other dementia. There's no limit to what you can do! With new treatments emerging and healthy lifestyle habits that can promote brain health, there's real hope in the fight against Alzheimer's.
